

Silver State Music Competition

Nevada Music Teachers Association

2023 NORTHERN NEVADA RULES

Purpose: This event is a competition that serves as a fundraiser for the Nevada Music Teachers Association. The proceeds are used for educational workshops and clinics to benefit students, teachers and parents. In 2023 it is open to piano only, and ribbons will be awarded first, second and third place in each category.

Eligibility: The Silver State Competition is open to any piano student of any age with the *exception of current college music majors/minors*. Participants may enter one or more categories.

When: The competition will be held November 4, 2023, at Steinway Piano Gallery. Students register online at nmmta.org with registration opening September 30th and closing October 14th. Students will find out their performance times by email 1 week prior to the event.

Judging: There will be one adjudicator in each session. The judge will select first, second and third places in each category and age group and will not give any written or verbal feedback to participants. Winners will be chosen based on a variety of subjective factors; it is not necessarily the most advanced repertoire or “most polished” musician who will win.

Format: Students play in sessions that resemble recitals. Winners are announced and ribbons are awarded immediately after the participant performs. Performers must stay until the end of the session.

Memorization: Classical Solo, Social Solo, Concerto repertoire must be memorized. Ensemble and Adult may use music.

Music: Music scores must be provided for the adjudicators. Unauthorized copies are not permitted.

Accompanists: Solo categories may *not* use accompanists. Ensembles may enter solo repertoire with accompaniment and all members will be judged as “collaborative performers”. Concertos must have accompanists with only the soloist’s performance being judged. Recorded accompaniments are not allowed.
